

# New Fairfield Falcons Cheer 2009

Welcome to the 2009 Season of Falcons Cheer.

The Coordinators and Coaches have been hard at work putting together the best teams possible. I know some of you will wonder why or how your daughter was placed on a certain team. We go strictly by the Pop Warner guidelines, taking in consideration the child's age and grade.

Every year is different. Last year the third grade had to be split over 2 teams. This year it is the sixth grade. We do not place cheerleaders by their ability or by seniority and moving "up" is just being placed on another team.

All of our teams are important to us. It is our goal that each team be happy, productive and reaches their fullest potential.

Below you will find the team rosters with the name of your Head Coach and the email contact for that coach. Please contact your coach with any questions you may have regarding practices and/or games.

Thank you for all of your support...

Go Falcons!

*Coach Barbara*
